Constitution, Regulations & Rules of Competition

Revised May 4th, 2014

"We dedicate ourselves to the advancement of amateur hockey for all individuals through progressive leadership by ensuring meaningful opportunities and enjoyable experiences in a safe sportsmanlike environment."

HOCKEY MANITOBA

President, Bill Whitehead

On behalf of the Hockey Manitoba Board of Directors, I would like to welcome everyone to another exciting and very special year for our organization.

The 2014 - 2015 season marks the 100th Anniversary of Hockey Manitoba, and as the governing body we are excited to honor and celebrate a century of hockey's growth at all levels across the province.

Throughout the year we have several major events that have or will include the August 100th Anniversary Celebrity Golf Tournament; the September 100th Anniversary-themed "Minor Hockey Summit", the December "Project 100" female hockey weekend is scheduled at the MTS Iceplex on featuring nearly 1,000 female players participating in various programs and competitions at every level. From December to February a weekly hockey "Outdoor Series" will take place that will culminate on February 15, 2015, where games and activities will take place on outdoor rinks across the province. The celebrations will then wrap up with a Gala Dinner on May 9, 2015 at the Canad Inns Polo Park.

Hockey Manitoba also plans to celebrate the game by giving back close to \$100,000 in equipment, funding and prizes! ALL 5 and 6 year-old players throughout Manitoba will receive a free commemorative Reebok Sidney Crosby stick in addition to discounts on other hockey equipment. We are also providing communities the ability to grow the game locally by awarding \$25,000 in hockey community grants! The 100th Anniversary Sweepstakes program on our micro-site is free to enter for all Manitobans and we have developed an extensive list of prizes valued at \$25,000 including a trip to the 2015 World Junior Championships, Jets Suite for your team, head-to-toe equipment, weekend getaways, hockey equipment credits, Winnipeg Jets tickets and many more!

Hockey Manitoba continues to receive unstinting support and is pleased to recognize our Premier Partner for the 100th Anniversary Scotia Bank, as well as our official partners Cargill, Royal Sports, Reebok/CCM and Canad Inns. In addition we receive significant support from our Sport Partners from Hockey Canada, Sport Manitoba, the Western Hockey League and the Winnipeg Jets True North Foundation.

I am very proud to have the opportunity to serve as your President and I am extremely proud of the programming opportunities that we provide for our members, through the direction, leadership and assistance of our Board, Staff and countless volunteers.

I would like to wish everyone an enjoyable, positive and safe hockey season and look forward to sharing our 100th Anniversary with you.

Bill Whitehead

Applicable only to head coaches requiring High Performance 1.
7. All head coaches coaching within the Program of Excellence must have High Performance 1 certification with assistant coaches requiring Development 1 certification. All coaches appointed to Canada Winter Games teams require High

Team staff that have not achieved their Respect in Sport certification by December 1st will only remain eligible to continue in the current season once the fine is paid and they achieve the Respect in Sport certification. Team safety people that have not achieved their Hockey Canada Safety program certification by December 1st are not eligible to continue as safety people until the fine is paid and they receive the Hockey Canada Safety Program certification. **Please Note:** Association/Leagues/Teams will not incur penalty for team staff that are released from their roster by the December 1st deadline. 13. Upon application, at the discretion of the Executive Director, individuals under the age of 22 as of December 31st of the current season will be eligible to assist with teams or development programs as an "Apprentice Coach". Teams with Apprentice Coach or Coaches on their roster must have a fully certified/trained coaching staff.

HOCKEY CANADA SAFETY PROGRAM

14. A Safety person can only be registered on one team. If a Safety person would like to be on two or more teams (rosters), they must apply to Hockey Manitoba in writing on or before November 30th of each year. Each application must state the teams involved and the season's full rostering. Each request must show that the Safety person can attend all games and practices of each team.
15. Each team in High School must follow Hockey Canada and Hockey Manitoba Safety Program policies.

RESPECT IN SPORT PROGRAM

16. An on-line educational program on the prevention of abuse and harassment in hockey is mandatory for all rostered team officials by December 1st of the current hockey season. **Please Note:** The Hockey Canada Speak Out certification will be accepted as a substitute for the Respect in Sport program for the 2014-15 season.

COMMUNICATION FLOWCHART

FAIR PLAY CODES

COACHES

17. I will be reasonable when scheduling games and practices, remembering that players have other interests and obligations.
18. I will teach my players to play fairly and to respect the rules, officials, and opponents.
19. I will ensure that all players get equal instruction, support, and playing time.

20. I will not ridicule or yell at my players for making mistakes or for performing poorly. I will remember that players play to have fun and must be encouraged to have confidence in themselves.
21. I will make sure that equipment and facilities are safe and match the players' ages and abilities.
22. I will remember that participants need a coach they can respect. I will be generous with praise and set a good example.
23. I will obtain proper training and continue to upgrade my coaching skills.
24. I will work in cooperation with officials for the benefit of the game.

REGULATION R4 – HAZING

25. "Any player, team official, executive member or a team, club or association, or any other Hockey Canada member having participated in or condoned any incident of hazing, shall be subject to a suspension of not less than one year, notwithstanding the prescribed minimum suspension of one year, in the event that the Branch would consider that such suspension would create undue hardship given the circumstances, it may impose a lesser penalty if it has received approval from Hockey Canada officers."

HOCKEY'S NCCP – HOW IT WORKS

26. The National Coaching Certification Program has moved to a "streamed approach" where coaches will be provided with educational and certification opportunities appropriate for the players who they are working with. As a result of the streamed approach, not all coaches will begin their program at the same place. Coaches will now have the opportunity to enter into the stream of coaching that is appropriate for the players they coach. Coaches will receive coaching materials that are practical and easy to implement with the players they work with.
27. One of the most important distinctions for this new education/training model is that it is an athlete-centered approach to training coaches. This means that the coaching needs are defined by the needs of the athletes they are working with. Coaches will receive a "Skills" manual appropriate for the age that they are coaching, as well as a supplementary coach workbook, and a Skills of Gold DVD Series.

CLINIC OUTLINE

28. All participants are required to register on-line for clinics through the Hockey Canada HCR E-Learning System; see the Hockey Manitoba website for detailed registration instructions.

29. The Coach Level clinic is designed to be delivered as a 4 hours on-line and a 5.5 hour in-person portion (including an on ice session).
30. The next stream is the Development 1 certification programs; each course is 20 hours in length (over 2 days).
31. Upon successful completion and full attendance of a clinic the participant records are electronically updated in the Hockey Canada Registry (HCR) approximately 1-2 weeks following the clinic. Participants may then log back into their Hockey Canada E-Learning account to view/print their certification records. No cards or certificates are sent to participants after clinics.
32. The final stream is the High Performance 1 program. The branch usually offers this 6-day program in conjunction with the Program of Excellence Summer Camps every 2-3 years. In addition to classroom presentations and group work, a coach must successfully complete a take-home workbook and be formally evaluated during both practices and games.
33. Upon successful completion of the High Performance 1, a Branch representative forwards the course register form to Hockey Canada and the CAC Initiation Program.
34. Hockey Canada's Intro Coach Program covers two modules of instruction designed for those coaching beginning hockey players. Each module consists of 25 lesson plans that follow a defined path of progression. Players moving through this program will improve on both hockey skills and self-confidence. The Intro Coach program will include a 1 hour on-ice session.
35. The program emphasizes the basic hockey skills: skating, puck handling, passing and shooting. Each skill is introduced and refined in a progressive "one step at a time" manner.
36. Children learn and develop through participating in practice drills and informal and modified games (such as shinny, freeze tag, and obstacle courses).
37. Although the emphasis is on fun and progressive skill development, the Initiation Program also allows youngsters to experience Fitness, Fair Play, and Co-operation.
38. The overall success of the program relies on the leadership and teaching abilities of the instructors. To assist volunteers, a four (4) hour instructional clinic has been designed to ensure that instructors are fully prepared to present a successful program.

DEVELOPMENT PROGRAMS
