MAY 5-7, WINNIPEG

CCM Rising Stars PLUS+ is a pre-high performance program introduced by Hockey Manitoba to effectively develop the foundation of potential high performance athletes. CCM Rising Stars PLUS+ is established to be the most significant stepping stone into the Director's Cup Prospects and U-16 Program of Excellence.

The program boasts a specialized development curriculum with full emphasis on skills and individual tactics that we need our players to master as they head into Bantam hockey and provincial programs.
