Dear Minor Hockey Association,

Congratulations on your selection as a host site for one of the 2020 Provincial Championship tournaments. I am sure that preparations within your community are getting underway and the anticipation and excitement is starting to build as the tournament approaches.

Each Provincial Championship is undoubtedly filled with excitement and will provide great memories while celebrating some of the best hockey in the province of Manitoba. Many individuals never get the chance to participate in this prestigious event during their entire hockey career. Therefore, we must provide the most positive experience possible that will provide lasting memories for everyone.

We have prepared this manual as information for the host committee to follow, and as a way of providing guidance in making your event as successful as possible. This manual is a further outline of the requirements needed, as displayed in the 2020 Provincial Championship tournament bid application and guidelines, but also provides some detailed answers to the most commonly asked questions.

Each Provincial Championship tournament is designed to be not only exciting for the participants and their families, but also for the Minor Hockey Association, the host community, Hockey Manitoba and the tournament Host Committee. I hope you enjoy the experience and I would like to thank you for your commitment to providing this opportunity for young hockey players throughout our Province.

Hockey Manitoba is pleased to again welcome Cargill Ltd. as the official presenting sponsor of the 2020 Provincial Championships and I am confident your tournament host committee will work with us in acknowledging their contributions leading up to and during the event. In addition, we are pleased to again announce that provincial apparel and merchandise will be available directly through Hockey Manitoba. These items will be attractive and reasonably priced, while providing consistent branding for Hockey Manitoba and Cargill Ltd. In addition, a simple method of ordering the items online will ensure all participants interested can easily access their preferred items.

Please note that the Provincial Championships are sanctioned by Hockey Manitoba and we are responsible for overseeing each tournament. The host committee at each event is required to report to Hockey Manitoba on a regular basis to ensure the success of this event.

Good luck and best wishes with all of your tournament preparations.

Sincerely,

Peter Woods, Executive Director

8.0 In the event that teams are tied for a playoff position, the following procedure will apply:

**Tie Breaker:**

- a) The result of a round robin game involving the tied teams will apply in the event two teams are tied in points, the winner of the round robin game between those two teams will advance to the play-offs. Similarly, if three teams are tied in points, the team which has a 2-0 record in games against the tied teams will advance. If none of these apply, or four or more teams are tied in points, proceed to b).
- b) If teams are still tied after (a), then the team or teams with the most wins would gain the higher position.
- c) If the teams are still tied after (a) and (b) have been applied, then the team with the best goal average would qualify. The goal average of a team is to be determined by dividing the total number of goals for by the total number of goals for and against, with the team having the highest percentage gaining the higher position. In the event a tie exists between three or more teams, goal average will decide the positions of all teams tied. (i.e. **For:** 10 goals, **Against:** 4 goals; **Percentage** is  $10/14 = .714$ )
- d) If the teams are still tied after (a), (b), (c), the team to qualify would be the team which scored the first goal in the game between the two teams. If two or more teams are tied, the team that has scored the most first goals in all games involving the tied teams will advance.

**NOTE:** All games each tied team has played in the round robin are used in the goal averaging.

- e) If the teams are still tied after (a), (b), (c) and (d), the team to qualify would be the team that received the least minutes in penalties during the round robin schedule.
  - f) If teams are still tied after all previous methods have been applied the winner of the play-off position will be decided by a single toss of a coin.

- 12.0 All Provincial games including championship games will have a seven goal mercy rule. Any game with a seven goal difference in score shall revert to straight time for the remainder of the game or until the score difference is less than seven, at which time stop time play will resume.
