## **McCreary Mustangs Breakfast Club 2008/2009**

The McCreary Mustangs Breakfast Club was successful, with positive reports from players, parents, coaches, and the community.

The 2008/2009 edition of the Breakfast Club occurred for 45 minutes every Tuesday and Thursday morning throughout the winter. In our small community, an average of 10 to 15 players from ages six to 14 got up in the morning to take part in skating and puck handling drills and games. Players were given time at the end of each session to play games and have fun. When the players were off the ice, volunteers donated time and food to provide breakfast for those who participated.

Positive attitudes and hard work paid off as players were able to improve on skating and puck handling skills.

Thanks to the dedication of players, parents, instructors, and volunteers the inaugural year of this program was a great success.
