Train to Train to Do List: Midget

For Branches

- Develop guidelines in which the seasonal plan for the Midget age group is followed by Minor Hockey Associations
- Develop a promotion and education plan for the implementation of the proposed seasonal structure.
- Provide coaches with the educational opportunities and resources to give them the best tools possible.
- Develop playoff and Branch / Provincial championship structures that meet LTPD guidelines.
- Develop Branch POE programs that are development focused, progressive in nature and consistent in delivery and content.

For Associations

- Provide enhanced skill development opportunities for players
- Encourage coaches to continue their education through the Hockey Canada Specialty clinics and other continuing education offerings
- Structure competition based on the differences in development and abilities
- Provide coaches with the latest and most up to date resources to assist with seasonal planning and skill teaching.
- Provide mentoring pathway within organization

For Coaches

- The intensity is gradually and progressively increased during training in order to meet the competition demands. Make the task more difficult (effort given, greater speed of execution)
- The training session preparing the team for a competition must mirror the game requirements
- Begin to work with players on the mental skills of goal setting, visualization, focus
- Look for High Performance coach education programs to continue to develop your coaching skills
- Continue to focus on the fundamental technical skills and the tactical application of these skills
- The tactic/strategy is adapted to the age level and the background of the players and to the typical characteristics of the team.

For Parents

- Learn to go to the limit of your performance capabilities if you wish to improve
- Begin to focus on 2-3 sports but continue to be active
- Physical preparation becomes important and a focus on training is key – develop good habits
- Inventory your strengths and weaknesses, what hockey skills do you need to work on to take you game to the next level?
