Coaches needed for the Regional Development Program, Hockey Manitoba's development program for U11, U13 and U15 players, running October through March.

The commitment is one weekday practice every two weeks, plus one game Sunday a month. Hockey Manitoba provides the practice plans and monthly support sessions, so you're never figuring it out alone.

If you've got a couple hours every other week, you've got what it takes. Reach out to [REGION CONTACT] to learn more.
